

Dear Supporter of Legal Services for Prisoners with Children and All of Us or None:

It's that time of year again when All of Us or None, a project of Legal Services for Prisoners with Children, organizes an event to give bikes and other gifts to the children with parents in jails and prisons throughout California. All of Us or None members understand how hard the holidays are for families who have incarcerated loved ones.

The Community Giveback is an important example of how people who have been in prison can make positive contributions to their communities and support people still inside as well as their families. The event will take place on Saturday, December 14th at the Onetta Harris Community Center, 100 Terminal Way, Menlo Park, CA 94025.

The Annual Community Giveback is supported 100% by donations and volunteer time. We are reaching out to our allies and supporters for this event by asking you to sponsor the purchase of a bicycle we can give to a child on behalf of their incarcerated parent. We hope you can help us with this effort to remind children with incarcerated parents that they have a whole community of people who care about them, as well as support former prisoners in their efforts to positively impact their communities.

You may mail your donation to: LSPC/Community Giveback, 4400 Market St., Oakland CA, 94608.

We thank you in advance for your generous donation.

**For justice,
All of Us or None**
